From the Presidents desk...

Spring is about to spring up all around us and you know what that means? We're about to hold our major fundraiser on April 27. This year's theme is Matthew 25 trivia. I'm not sure it will beat last year's character filled mystery dinner but you can believe there will be much information you can walk away with and maybe even a prize or two. I promise you some laughter, good food, entertainment and visitation with neighbors and friends.

If you are the competitive type there are ways to get a jump on some of the trivia answers by checking out our website, this newsletter and other publications in and around the center. If you do your homework you may be the champion!

Tickets will be on sale soon.

Thanks and see you there!

Sharon
